# INSTRUCTION MANUAL

BA1909

## 12/24V 19" Motorised Flip Down HD Monitor

Please read the user manual carefully before installation and operation.

This product is specially designed for Bus, Coach, Marine, Truck, Caravan and Train use. Please read the user manual carefully before installation and keep for future reference.

### 1. Safety Use Instructions and Precautions:

- ▲ Open the screen using the remote control.
- ▲ Working Voltage is DC9V-35V. Do not connect to AC 240V.
- ▲ Position the monitor away from damp and humid locations.
- ▲ Installation position must be strong enough to support the unit's weight and vibration while driving.
- ▲ Position the monitor away from direct sunlight or other heat sources.

## MOUNTING DIMENSIONS

# WIRING INSTRUCTION

**1) Power Connection:** This product can function in 12/24V DC.

Connect the red cable to the positive pole and the black one to the negative pole.

▲Do not plug the power cable into 240V AC or the product will burn.

**2) Video signal line connection:** Connect the video signal cable. Make sure the plug is firmly inserted.

**3) Power ON / OFF:** Turn the unit on/off by pressing the "power" button on the remote.

**4) Control cable connection:** In the control cable, the shielded wire is common.

The RED control cable is for lowering the monitor.

The WHITE control cable is for raising the monitor.

The control cable is linked to the 2-way switch that is to be installed on the dashboard or nearby.

NOTE: Monitor will not lower or raise unless the unit is turned on.

**5) Run the cables of desired length to switch. Note: Cables not included.**

\*If USB Drive is in use, you will not be able to select another source.

## REMOTE CONTROL

Used for power ON/OFF, audio control and selecting input sources.

NOTE: Not all functions apply to this model.

19. Drop Screen (doesn't drop if power is off)

# WARRANTY

Congratulations on your purchase of a quality **axis** Mobile Entertainment System! You're joining thousands of satisfied customers who enjoy & experience the benefits of the products we distribute. In the unlikely event that some technical difficulty arises with your purchase, be assured that we are most anxious to see that the problem is quickly rectified to your satisfaction. Please familiarise yourself with the following simple conditions of our warranty.

This warranty covers faults through component failure or failure of the product to operate in accordance with published specifications. Product failure as a result of unreasonable environmental conditions, accident, misuse, improper installation, unauthorised repair, vehicle electrical or wiring faults or neglect etc, will not be covered by this warranty. Removal and installation costs, if any, would be paid by the owner as well as any freight or postage costs of transporting the product to AudioXtra. AudioXtra shall not be liable or responsible for any loss of use of this product or any form of consequential loss.

## CONSUMER WARRANTY

This product is warranted by AudioXtra International Pty Ltd to be free from defects in materials and workmanship under **NORMAL USE** for a period of **TWENTY FOUR MONTHS** from the date of purchase.

**WITHIN 30 DAYS OF PURCHASE DATE:** Please return the unit for replacement to our National Service Centre or the Retailer from where you made the purchase. All accessories must be included. Proof of purchase date **must** accompany the products.

**AFTER 30 DAYS OF PURCHASE DATE:** Warranty repair and service is carried out by our National Service Centre. Repair and service will be carried out at no cost to the owner if proof of ownership and the date of purchase can be verified to the satisfaction of the authorised centre concerned with this repair. This proof should take the form of either:

- a) The warranty card accompanying this product, stamped and dated by the dealer.
- b) A Tax Invoice or Receipt showing full details of original vendor, purchaser, model number and serial number.

**COMMERCIAL WARRANTY:** A product used in or associated with a commercial application will carry a limited **SIX MONTH** warranty. An abnormal commercial application is one where usage, dust, vibration, heat/cold and other environmental conditions exist at an extreme level.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
