## FULL HD ACTION CAM 1080P HD. 12MP CAMERA. WIFI.

### The Simplest and Lightest Action Cam

The **Midland XTC400** Action Cam's philosophy is all about simplicity! Efficient, reliable, easy to use & with an incredible 4 Hour battery life. Take the actions, feelings, emotions without thinking about the technology, which is why our line has only one button: a single large button at the top that controls the the camera. The Midland Action Cam does not only accompanies the Midland athletes but each of us in everyday life and in every adventure. The smallest and lightest Full HD action cam. So much technology in as little as 8.9 cm in length and 93 grams in weight.
